Habits of New York Millionaires.

The Boston Journal's New York corresponded wireless.

"A. T. Stewert works probably more hours than any mechanic or laboring man in the State. His wast business is in his own hands. He consults unbody as to buy-lating or selling. He has many partners, but in gor selling. He has many partners, but the amangement of the business. He say, tem is execting but efficient. His men are timed. If they are role, if they were that been made, and that, if nocessary, the mis execting but efficient. His men are fixed. If they are role, if they were that been made, and that, if nocessary will also be made, and that, if nocessary will be taken in the prisoner's hand been made, and that, if nocessary will be mangaines hours, if they were that been made, and that, if nocessary will be taken in the morning that the great in the store, they are fined. No person is allowed to take a bundle, if they are the man marks it. No bundle lowes the store without being examined. Mr. Stewart is about the first man down in the morning. He takes are early by realfiest, and in a constant of the store in the store, they are five colock, then returns to his den and continues his labore until every is more business in the store is finished. Pleasure seekers going home from this source and the store that the counting cone, showing that the great in the counting room, showing that the great millionaire is hard at his take. But it is recreation. He finds his pleasure in work and asks anothing more.

"Vandorbit is a gigantic speculator—"Vandorbit is a gigantic

salt, varying from one to twelve and a half conts per bushel. The net revenue to the State from this source, during 20 years, has been \$421,582. WHERE WILL IT END?
